We welcome you to visit our Bangladesh and Hong Kong Office as well as associate factories with the assurance that you will certainly be satisfied with our performance and working environments. However, prior notification for such visit will be highly appreciated to get the new order from your side.

My best wishes for everyone.

Masud Parvez
Founder & Proprietor
TOP APPAREL SOURCING

About TOP APPAREL SOURCING

TOP APPAREL SOURCING - is a reputed 100% export oriented garments manufacturing based buying house located in Narayanganj-Dhaka Bangladesh. The company established in 2014 and we are at present representing few customers based on The Germany, Australia, New Zealand, Netherlands, UK Argentina, and Greece. We are dealing with all kinds of knitwear's, Sweater's and woven garments. Our services found better, extensive & more advanced than other agent. The teams of our company are skilled and professional with capability of handling bulk quantity & quality styles of casual wear, sportswear, promotional wears etc. included T-Shirt, Polo Shirt, Jackets, Tank Top, Rugby, Sweatshirts, Pajama's set, Shirt, Pant, Jogging Suit, Uniform etc. in plain color or yarn dyed and or with different quality print or embroidery.

We are very strong position to provide any bigger quantity orders at very competitive prices and within short lead time - we would be obliged if you like to check our production & price.

We feed back with customer/sales samples on specific queries/export orders.

We have a skilled team of merchandisers and quality assurance inspectors who are devoted to catering quality services i.e., guarding delivery time, strict supervision of production, quality control and meeting the special wishes of the clients.

VISION :

We treat our client as business partner. We do believe that clients' satisfaction is our satisfaction and if client flourish, we are flourished. Keeping this in mind, we assure the best product with higher quality to our clients using well contract network in later TOP APPAREL SOURCING. One step forward, we also provide augmented services, competitors' information in later TOP APPAREL SOURCING for free of cost to our clients in cases to share the competitive edge of success of our clients. Therefore, if you are convinced with our system and confident on us, then, we would like to draw your valuable attention for your query into us and we will be very pleased to entertain any positive inquiries from you.

We are positively looking for any type of garments related business inquiry with a view to prove ourselves and to establish a long-term business relationship.

We again ensure a real attention and eagerness to out your esteemed company's beside our onward performance.

MANAGEMENT :

We do believe in dynamic and accountable management systems. Hence, we do follow the Total Quality Management (TQM) systems. With a view to fulfill this, we do hire the best hands available in the industries.

The working hands are working here independently with their appropriate authorities and responsibilities.

WORK FORCE :

A group of well experienced, efficient, self-motivated and dynamic merchandisers and quality controllers are working very hard to ensure the right goods with right corner of the direction.

Abolition of Child Labor :

We shall not engage in or support the use of child labor, forced labor in our company and also concern factory. We are well aware on Health and Safety of the employers and we provide Safe and Healthy Working Environments with fully hygeinitical conditions.

THE WAY WE WORK :

Shipment of quality clothing on time is the prime objective of TOP APPAREL SOURCING to achieve this, we do the following works:-

Factory Selection :

To ensure smooth production, our QA (Quality Assurance) team is visiting different garments factories on regular basis. We have a factory evaluation guideline to enlist the vendor as production unit. This evaluation guideline is of international standard. On the basis of our evaluation, we selected some factories. They are our regular vendors. Moreover, we are always searching for new factories to expand our production capacity.

Sourcing of Yarn and Fabrics :

This is the responsibility of our Textile Division to select the right source and to monitor the overall procurement process of yarn and fabric. Since, we are closely associated with different reputed textile mills of Asia; we are in a favorable position to ensure this important task on time. Regular contacts with the yarn/fabrics sources to get the lab-dips, to ensure the bulk production, to get the pre-shipment sample and to ensure the yarn/fabric shipment on time is the full responsibility of TOP APPAREL SOURCING.

Quality Check during Production :

This is another important job of TOP APPAREL SOURCING. We take care of quality during fabric making stage. We monitor the knitting/weaving of the yarn, supervise the dyeing and approve each and every batch of fabric sent into our production lines. As such we are able to guarantee the quality of our fabrics and ensure it is defect free and up to your requirements. Our inspection team is not only preparing the production QC Report, but also providing remedies (if possible) on the spot to ensure smooth production. This strategy is ensuring on time shipment and benefiting all of us (vendors, TOP APPAREL SOURCING and buyers).

Overall Co-ordination till Shipment:

TOP APPAREL SOURCING co-ordinates the whole process of clothing production with utmost sincerity. Lab-dip Approval, Factory selection, Production process monitoring, approval of pre shipment samples, LC / Banking procedures, customs, GSP documentation, Shipping and all other function till to shipment also Bank to Bank documentation are made by our company by our hardworking team.

Regular Reports to the Importers/Buyers

We provide reports on quality and production status to the buyers/importers on regular basis. Format of our Quality control Report could be changed as per the special wishes of buyers / importers. Textile and clothing business is not free of tribulations. If any crisis arises, we do our level best to resolve this from our part. But at the same time, we always keep buyers informed about the situation.

We are familiar with certifications and applications, according to European Standards as well as

US compliance rules. For Example: ISO, WARP , BSCI ,SEDEX Okeotex, Accord, Alliance etc.

Third party inspection allow by clients nominated third party such as Bureau VERITAS, TUV, ITS ,SGS etc.

Conclusion & welcome :

We offer our level best to support you for developing most of your collections. We offer our level best to support all necessary business missions as per your market demands. TOP APPAREL SOURCING -We invite you to welcome to visit in Bangladesh.

Yours truly,

Khandaker Masud Parvez

SERVICES

We have an exceptionally good business relationship and Interaction With all the Manufactures So We Are Quite Flexible and Confident to Do Any Type of Garments. We can handle any kind of quantity easily and efficiently. All Of The Factories We Work With Are Approved From Renowned Customers.

Fabric Source : As the primary check to ensure quality, we guide suppliers as to the proper source of fabric and identify manufacturers which can deliver in time, good quality fabric of desired weight, construction and color etc.

Identify supplier : Every factory we deal with is evaluated at two levels:

- * To assess capacity and capability.
- * To check environmental control and adherence to Labor Laws.

Sampling : We arrange sampling from our own sample house as per buyers designs, sketches etc. Samples against orders and Promotional samples sent by suppliers are free of charge.

Prices : We scrutinize prices quoted by the supplier and with our own experience of the cost structure in the country, obtain the most realistic prices from them.

Quality control : Once an order has been placed with a supplier, we take the following steps to see that only correct merchandise is shipped:

- * We draw samples of fabric to be used and check its quality, weight, shrinkage, color fastness, etc. We call for lab-dips and obtain buyers' approval of shades before bulk fabric is dyed.
- * Before production is started, we obtain approval sample and check it minutely in all respects such as size specification, workmanship, cleanliness and proper fit of the garment.

* We also suggest from time to time, possible improvements in production process to improve workmanship and get perfect merchandise.

* Our quality controllers visit factories at regular intervals, making surprise checks, to see that only the correct quality is produced and reject sub-standard and defective pieces in the production pipeline itself.

* When the consignment is ready, we carry out systematic inspection as suggested by our buyers. If the merchandise is found satisfactory, we issue a certificate of inspection.

Other services : We also keep buyers informed of market trends, new developments in the industry, changes in Government policies and regulations etc.

We Inform buyers about new fabrics, designs and fashion trends within our knowledge.

We Assist buyers visiting Bangladesh. We arrange hotel bookings on their behalf plan their meetings with appropriate suppliers and provide all reasonable assistance that a buyer may need when visiting a foreign land to assure their visit is comfortable and useful.
